

## **Privacy policy**

This Privacy Policy is an accession treaty in accordance with the current legislation. The Privacy Policy describes the ways in which information about users who visit [www.dan-it.com.ua](http://www.dan-it.com.ua) (hereinafter - the Website) is collected, stored and used. This Privacy Policy also applies to relations related to the rights and interests of third parties who are not users of the Website, but whose rights and interests may be violated as a result of the actions of users of the Website.

The information on the Website is provided by "DAN.IT" (hereinafter - the Owner or the Administration).

By using this Website, you agree to the collection and use of information under the terms set forth below in this Privacy Policy. If you do not agree to this Privacy Policy, please stop using the Website immediately.

You also acknowledge that the Administration may from time to time change, modify, supplement or delete or otherwise update this Privacy Policy in its sole discretion without prior notice, so we recommend that you review it regularly.

By continuing to use the Website after making such changes, you agree to and accept them as part of the Privacy Policy.

In this section of the Privacy Policy, the Administration discloses information that may be obtained about you in connection with your use of the Website, which may include: Personal information (personal data) and Non-personal information. Personal information (hereinafter referred to as "personal information") is information that identifies you as a person, including: your name, place of residence, place of work, contact means, age, etc. Personal information is obtained by DAN.IT only if you voluntarily provide it to us. DAN.IT uses personal information to better understand your needs and interests, as well as to provide you with better services; and - non-personal (non-personal) information, i.e. information that is not used to identify you.

We respect your trust and do not pass your personal information to others

without legal grounds. We may also collect non-personally identifiable information that you voluntarily provide, including information contained in the answers to questionnaires or surveys. As described below, the Administration may associate non-personal information with personal data, after which such information will become personal information. We use your personal information to the extent necessary for the proper performance of our legal duties.

By using the Website, you as a user agree and accept its rules, as well as provide permission to collect, use and distribute your personal data in the manner prescribed by the Privacy Policy. You agree to receive certain communications. In particular, the Administration may use your personal data to send you a message by e-mail or telephone number by sending a letter, sms, voice message or call about our products and services.

You can also subscribe to receive certain e-newsletters that will be sent to registered users from time to time. The Administration uses the information it collects about users of the Website, including personal information, to evaluate and improve the effectiveness of the Website and its content, in order to develop new programs, services and to analyze the market. We will not sell, share or otherwise distribute your Personal Information to third parties except with your consent or on the terms and conditions and except as provided in this Privacy Policy.

Personal data may also be transferred to third parties, without further notice to you of such transfer, subject to applicable law. In addition, Personal Data may be disclosed to a third party without further notice to you of such transfer, if the Administration is required to do so by applicable law, court decision or government act, or if such disclosure is necessary in other cases to facilitate any transfer. any lawful investigation or proceeding in Ukraine or abroad.

Your personal information is protected in accordance with the current legislation. Users are responsible for maintaining the security of credentials to

log in to the Website. In turn, to ensure the security and confidentiality of Personal Data collected by the Administration online, the Administration uses data networks protected, inter alia, by a network protection device adopted as an industry standard, and password protection.

In the course of working with your Personal Data, the Administration takes measures designed to protect information from loss, misuse, unauthorized access, disclosure, alteration or destruction. You acknowledge and agree that any information submitted to the Website may be read or intercepted by others, even if there is a special message about the encrypted type of transmission.

Processing of Personal Data is carried out in data centers, where the equipment that ensures the functioning of the Website is located. When the Administration processes Personal Data, it takes measures to ensure the accuracy and timeliness of your Personal Data for the purposes for which it was collected.

The Website dan-it.com.ua uses cookies and data about visitors to the Google Analytics service. This data is used to collect information about the actions of visitors to the Website in order to improve its content, improve the functionality of the Website, create quality content and service for visitors.

You can change your browser settings at any time. For the browser to block all cookies or notify you when such cookies are sent. Keep in mind that some features and services may not work properly.

If you want to contact the Administration for the use and clarification of your Personal Data, or object to the processing of your Personal Data, please send an email to: [info@dan-it.com.ua](mailto:info@dan-it.com.ua). If you contact the Administration, please indicate what information you request to correct, update or delete, together with the appropriate disclosure of your identity.

If the Administration deletes your account, the Administration reserves the right to retain certain demographic information about you for the purpose of improving the product.

Due to the specifics of the Internet, the Administration cannot guarantee high standards of privacy on other Websites to which it links, or be responsible for the content of these Websites other than this Website.

Validity of the Privacy Policy. If for one reason or another one or more provisions of this Privacy Policy are found to be invalid or unenforceable, this does not affect the validity of other provisions of this Privacy Policy.
